CARTE POSTALE

POSTKARTE

By Appointment.

The Seven Mountains, which form the north west termination of the Westerwald district, are a picturesque chain of hills of remarkable similarity. The highest point is the Wolkenburg (1083 feet), though the Drachenfels (about 1070 feet) is the most visited on account of the ruins of the ancient, 12th century, castle found there, and the beautiful view from its summit.
